

Introducing our new range of Chaise

Contemporary, refreshing, innovative.

Pacific Breeze

Features:

- Contemporary shape with unique frangipani print vinyl exterior
- Made from sustainably grown New Zealand pine
- White drop-bar handles
- Traditional interior using satin

Handcrafted in New Zealand the Pacific Breeze Chaise is made from sustainably grown New Zealand pine finished with a graceful frangipani display vinyl exterior. Complemented with a traditional satin interior and accentuated with modern simple silver styling. The Pacific Breeze features pewter and white drop bar handles, mattress, pillow and blanket.

CHAISE
BY LUCENTT

Karamea

The Karamea is handcrafted in New Zealand using sustainably grown pine and comes in its natural form - lightly sanded with knots and all, and is fitted with natural pine drop bar handles. Complemented by a simple but modern natural fibre calico interior with matching linen mattress, blanket and pillow.

Pukehina

Handcrafted in New Zealand the Pukehina is made from sustainably grown New Zealand pine and finished with an artistic beach scene vinyl exterior. It features custom hand printed drop bar handles and is complimented by a beautiful natural fibre gathered and padded interior with a relaxed modern look.

Auckland

Handcrafted in New Zealand the Auckland is made from sustainably grown New Zealand pine and finished with a vinyl exterior that has an artistic impression of the Auckland skyline. The Auckland features drop bar handles and is complemented by a softly padded, buttoned interior with natural linen fabric.

Trinity

Handcrafted in New Zealand the Trinity Chaise is made from sustainably grown New Zealand pine and then finished in with a modern, religious vinyl design. Designed to be understated, but modern in its appearance the Trinity features gold accents throughout, complemented by a beautiful soft gathered velvet interior with gold detail, embossed pillow and blanket.
